

The EdVenture of a Lifetime Awaits...

*An Education Initiative of the Alpine
School District and Central Elementary*

*A learning community practicing the
discipline of wonder for over 19 years!*

THE CHRISTA MCAULIFFE SPACE EDUCATION CENTER

Academy Classes

- Five different classes
- Only offered once a year
- All classes give space center hours
- Classes satisfy merit badge requirements

The classes are not limited to Boy Scouts, anyone ages 10 - 17 who is interested can participate. A BSA registered merit badge counselor will be available to sign merit badge cards.

This is an excellent way to build class hours to increase your rank at the Space Center. Sign up today for your choice of:

- Astronomy \$20; Oct 22, 29, Nov 5, 12
- Nuclear Science \$20; Nov 3, 10, 17, 24
- Aviation \$23; Jan 6, 13, 20, 27, Feb 3
- Geology \$20; March 4, 11, 18, 25
- Space Exploration \$35; April 1, 15, 22, 29
Rocket Launch May 1, depending on weather

Please note that **all** class sessions are required. These are not one session classes. All classes run from 6:30 - 8 pm on the dates listed.

Who Are We?

For 19 years we have inspired children of all ages in our simulators, classroom, and planetarium. Nowhere else in the world can you find our unique blend of learning and theatrics. We aim to teach arts, sciences, humanities, teamwork, leadership, but most of all, we strive to instill a sense of wonder and adventure in everyone who attends our center.

Super Saturdays

- Only \$29 per child
- Ages 10 - 14
- Noon to 5 pm missions
- Same missions as Overnight Camps

Dates and cost are listed on the back of the flyer. Our Overnight Camps are booked by schools during the school year. We offer the Super Saturdays as an alternative so you don't have to miss out on any of the excitement! Regular Overnight camps will resume next June.

Looking for a great party or date idea? Look no further!

Gather your group and book your flight
in one of our five simulators!

Flights available for anyone ages 10+
Junior flights available in the Odyssey
for ages 7-9

Did you know we do private planetarium shows?

Our planetarium can accommodate up to 30
people ages 5+. We even have a special show
designed just for Cub Scout groups!

***Call or visit our website to
book yours today!***

Space Center Facts:

- * Founded November 8, 1990, the center serves all of Alpine School District and many surrounding school districts
- * Over 225,000 students, teachers, birthday groups, adults, and youth groups have participated in our programs
 - 5 simulators, one classroom, and one planetarium
 - Most of our staff are volunteers ages 12-18
 - Upgrades to our center are funded solely through donations and grants
 - Operating expenses are funded by camps and private programs
